Company Profile

秉诚汽配
BINGCHENG

Zhejiang Bingcheng Auto Parts Co., Ltd. is a high-tech enterprise specializing in the design, development and production of precision mechanical components, non-standard automation machine parts, processing jigs and fixtures. We supply custom precision machined parts for precision lighting, automotive, mobile phone & watch, aerospace and military equipment, medical devices, electronic inspection equipment, optoelectronic and communication industries.

We have rich experience in machining curved, special-shaped and spatially holed parts, shaft parts, as well as optoelectronic and semiconductor equipment components from high-precision aluminum alloy, copper, stainless steel and engineering plastics.

Our team consists of more than ten skilled technicians. We are equipped with CNC machining centers, milling machines, drilling machines, high-precision grinders, projectors and other production and testing equipment. We support mass production of precision parts, and are also capable of quickly responding to customers' requirements for small-batch, diversified orders with short lead times, delivering high-quality and cost-effective products.
