

Designed To Impress Built To Perform

Premium Meals Deserve Packaging That Matches Their Quality

From Freezer to Oven — All in One Bowl

Black CPET bowls designed for premium ready meals. Freezer-safe down to -20°C and oven/microwave-safe up to $+220^{\circ}\text{C}$, with no container transfer required. Designed to resist warping and melting under recommended use conditions. One bowl for storage, heating and serving — helping reduce preparation time and simplify kitchen workflows.

We offer custom lamination options for our paper bowls, including PE, PP, PLA, and CPET. Each material has different temperature resistance and recommended applications, tailored to your specific needs.

 MATERIAL	 COLD-RESISTANT	 HEAT-RESISTANT	 MICROWAVABLE	 OVENABLE
PE	-25	+100	×	×
PLA	-18	+40	×	×
PP	+2	+110	✓	×
CPET	-20	+220	✓	✓

Remark: Use under recommended conditions

Accum combines design flexibility with R&D innovation to fit every need.

About ACCUM

Suzhou Accum Packaging Co., Ltd. was established in 2016 and focuses on the manufacturing and development of food and beverage packaging solutions.

Our name "ACCUM" is inspired by the idea of accumulation — the continuous build-up of experience, know-how, diligence and innovation across our team.

ACCUM is a China-based manufacturer of paper food-service and takeaway packaging. We provide customized packaging solutions for food and beverage brands, distributors and food-service operators.
