

7x9 Foot Series

Global Distributors Wanted

General Operations of Asia Region: CoreVip(Shanghai) Decoration Materials Co., Ltd

CoreVip, as an Italian high-end decorative design brand, is a furniture and interior panel design and production enterprise that focuses on aesthetics and technological innovation.

Guided by a brand philosophy that harmonizes natural artistry with design aesthetics, we curate and optimize materials for global consumers, while developing and designing home products that resonate with the aesthetic sensibilities of the Chinese people.

We redefine luxury through refined minimalism — empowering better living, one home at a time.

Italian Aesthetics
