宁波冠亿电器科技有限公司

关于我们 / ABOUT US

宁波冠亿电器科技有限公司位于中国家电生产基地慈溪市新浦镇工业区，是一家专注于养生足浴器产品的研发、生产及销售的科技型企业。公司现有生产基地和仓储中心，占地面积18000平方，现有职工250人，其中专业技术人员20人左右。公司拥有先进的生产流水线10条，大吨位注塑机22台，各类生产辅助设备和检测、试验设备齐全，日产能可达1.5万台，成品储存量30万台，年产量200万台以上，是目前行业内规模及产能较大的足浴器生产企业。

公司成立至今，始终以技术开发为核心，专业的研发团队经过7年的开拓与沉淀，通过市场反馈与产品设计互为驱动，先后研发几十款足浴器产品，获得发明专利、实用新型专利等15余项。公司以技术先进、安全稳定、品类齐全的产品，以及严格有效的品控体系，成为康佳、荣事达等十余个品牌的核心供应商，充分赢得了合作伙伴的信任、消费者的认同，以及广泛的市场美誉。

公司以管理成效、职业素养的提升为重点，高度重视管理体系优化及人才培养，通过流程优化、标准明晰、关键节点的有效控制，以及智能系统的导入，逐步形成目标清晰、团结互信的管理团队，为企业的发展壮大提供强有力的支撑和保障

Ningbo Guanyi Electrical Technology Co., Ltd. is located in Xinqu Town Industrial Zone, Cixi City — China's renowned home appliance manufacturing base. It is a technology-oriented enterprise specializing in the R&D, production and sales of health foot bath massagers.

The company owns production bases and warehousing centers covering a total area of 18,000 square meters, with 250 employees including around 20 professional technicians. It is equipped with 10 advanced production assembly lines, 22 large-tonnage injection molding machines, and a complete range of auxiliary production, testing and experimental equipment. The daily production capacity reaches 15,000 units, the finished product inventory capacity is 300,000 units, and the annual output exceeds 2 million units, ranking the company among the large-scale and high-capacity manufacturers in the foot bath appliance industry.

Since its establishment, the company has always taken technological innovation as the core. With seven years of

exploration and accumulation, its professional R&D team integrates market feedback with product design to drive mutual upgrading, and has developed more than dozens of foot bath massager products, obtaining over 15 patents including invention patents and utility model patents. With technologically advanced, safe, stable and full-range product lines, as well as a strict and effective quality control system, the company has become a core supplier to more than ten well-known brands such as Konka and Royalstar. It has fully gained the trust of partners, recognition from consumers and widespread market reputation.

Focusing on improving management efficiency and professional literacy, the company attaches great importance to management system optimization and talent training. Through process optimization, standardized regulations, effective control of key links and the introduction of intelligent management systems, it has gradually built a clear-goal, united and trustworthy management team, providing strong support and guarantee for the long-term development and expansion of the enterprise.
