casual furniture

This is where style comes to life.

For over 30 years, GaoRui Casual Furniture has been the leader in comfort and style for your world outside.

Design, beauty, form and function inspire the GaoRui vision to bring the outside alive, to let you live where your dream takes you.

It's what drives us to constantly research, refine, and reach for even higher standards. It's how we've been able to offer the industry's most innovative collection of outdoor furniture for over half a century. Our collections are works of art whose classic craftsmanship and styling stand up to the passage of time.

All of our groups feature heavy-gauge tubular, extruded or solid aluminum frames. Our rich polyester powder-coated finishes provide the diamond hard luster needed to survive the elements as well as enhance the colors and styles of the beauty outside your door.

GaoRui pioneered the kind of creative comfort that's so desired in today's lifestyle. Our continuing innovations in cushion and fabric design lead us to make the most comfortable and fashionable presentation in the industry. It's why, when you choose our furniture for the outside, you'll feel a personal comfort on the side, of knowing you chose the best. . . You chose GaoRui.
