Ofitech®

About Ofitech

Since

2001

We innovate, manufacture and distribute professional paper shredders, laminators, electric standing desks,Table Lamp, and related smart office electronics, with the advantages of vertical precise in-house manufacturing facilities and industry-leading technologies.

Our Vision

Our unlimited passion for technology, services and relentless pursuit of innovation all drive us to provide our customers with creative workspace solutions, greater information security protection, increasing productivity.

We bring you with values of

Higher quality standard
Competitive lower price
and a better workstyle

Worldwide Partners Network

ODM/OEM customers all over the world

Why Ofitech?

52,000+(m²)
Production Area

250,000+
Units shipped each month

20+
years in office machines development
and manufacture

100+
Esteemed clients worldwide

50+
Countries within our sales network

5+
Factories/branches/offices
In China and USA

<25
Days lead time from PO to CRD

2022
Smart Ofitech initiated

2020
Electric standing desks developed

2018
Lean Production system accomplished

2014
Ranked Green Supplier to Walmart

2013
Laminators developed

2012
Renamed as Ofitech to fully focus on office
electronics market

2008
Shredder lineup ranges from home, office
use to commercial grade

2003
Industrial Park constructed, covering land
area of 133,400 ㎡

2002
First generation of manual shredders
developed

2001
Established in Ningbo, China
