Feel Nature! Wooden handle tools

Made of Hardwood

The handle of this is made of ash wood and has an ergonomic, streamlined design that makes it very suitable for many hand sizes.

High-Quality Stainless Steel

Made of high-quality stainless steel, it is very strong and durable, even if it is used for high-strength work, it will not bend.

Seamless Welding

The wooden handle and the metal part are connected very naturally, very strong and not easy to break.
