THE CHAMPION OF VALUE

A Faucet that Strikes the Perfect Balance Between Simplicity and Sophistication
In a market saturated with overpriced options, our faucet stands as a beacon of affordability without sacrificing quality or aesthetics. It's the epitome of value—an investment that pays dividends in both style and savings.

Our faucet embodies the essence of value—simple yet refined, it achieves the optimal balance between cost-effectiveness and aesthetic appeal. With a focus on delivering exceptional quality at an affordable price point, our product stands out as the ultimate choice for those seeking both practicality and beauty in their fixtures.

Crafted with high-quality materials and precision engineering, our faucet is built to last, offering long-term durability without compromising on style. Its sleek and timeless design transcends trends, making it a versatile addition to any kitchen or bathroom décor.

DETAILS SPEAK

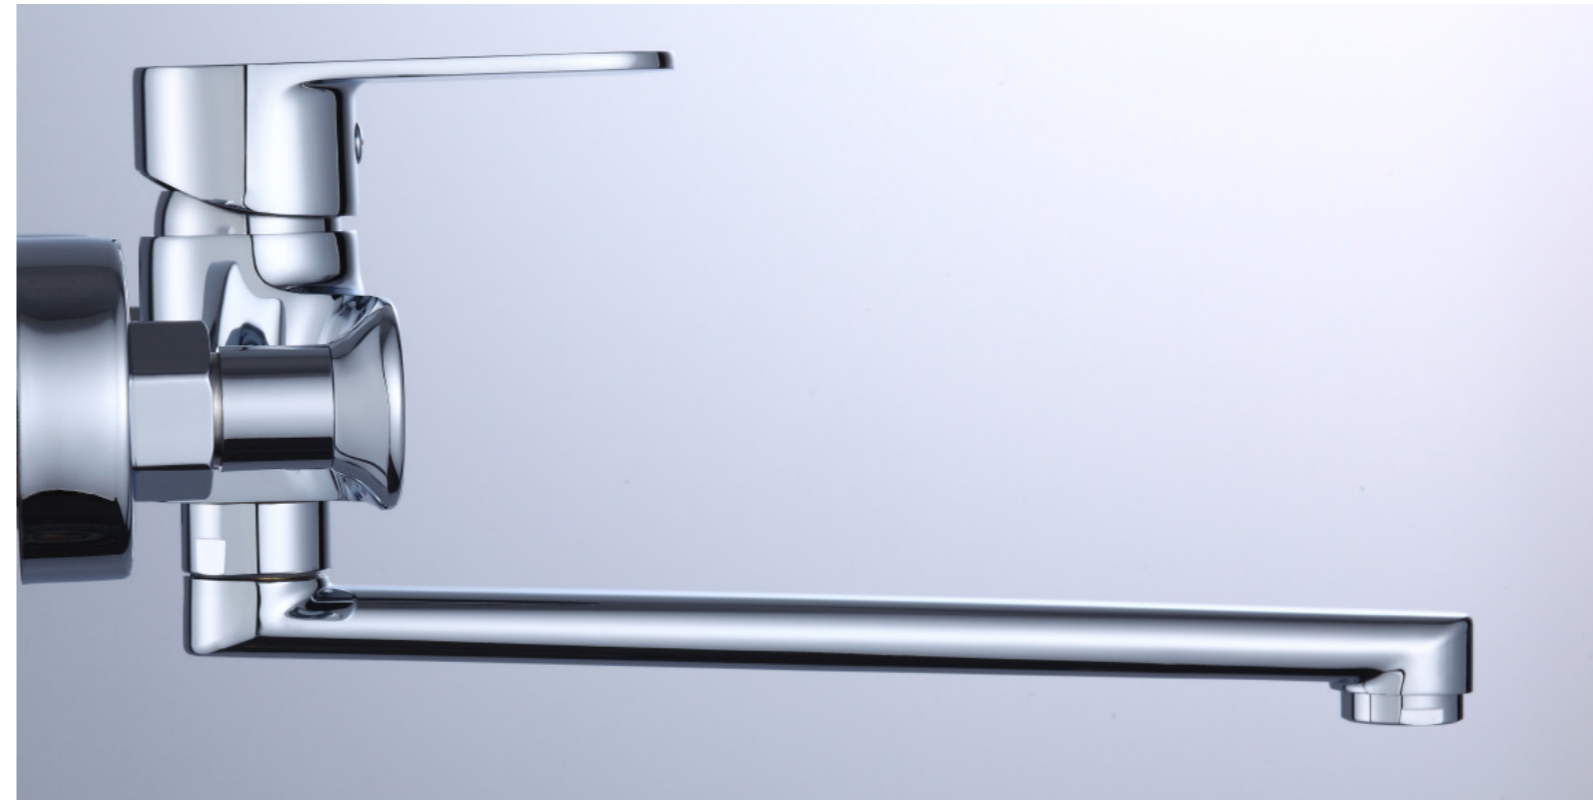

Introducing the ultimate cost-effective king of faucets, this product strikes the perfect balance between simplicity and sophistication. Designed to excel in both functionality and aesthetics, this faucet is a true masterpiece.

Crafted with meticulous attention to detail, this faucet embodies a minimalist design that effortlessly complements any bathroom or kitchen decor. Its sleek and streamlined appearance adds a touch of elegance to any space, making it a standout feature in any room.

SERIES
2012

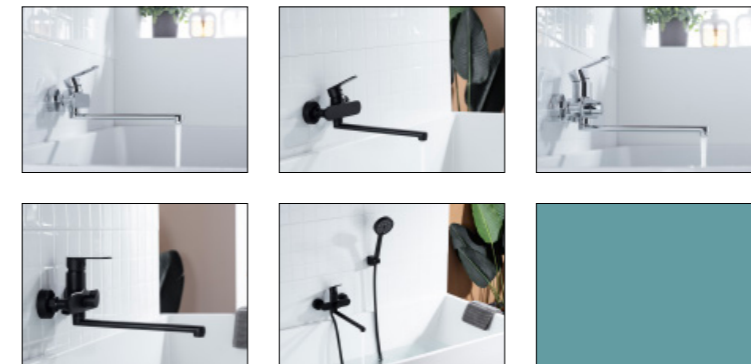

Not only does this faucet boast a visually appealing design, but it also delivers exceptional performance. With its high-quality construction and durable materials, it ensures long-lasting reliability and functionality.

COST-EFFECTIVE

The product's standout feature lies in its unbeatable value for money. Offering a premium look and feel at an affordable price, it provides customers with a cost-effective solution without compromising on quality.

Whether you're renovating your home or simply upgrading your fixtures, this faucet is the perfect choice. Its exceptional blend of affordability, aesthetics, and durability makes it the ideal option for those seeking a high-quality product that won't break the bank. Experience the perfect harmony between cost and beauty with this remarkable faucet.

SERIES 2020

MINIMALIST ELEGANCE

Crafted with meticulous attention to detail, this faucet not only offers exceptional style but also delivers an unparalleled product quality. The chrome finish adds a touch of sophistication and elegance, while also providing durability and resistance to tarnishing or corrosion. The smooth surface of the faucet enhances its tactile appeal, inviting you to experience the superior craftsmanship and luxurious feel every time you use it.

Introducing our modern bathroom faucet with a sleek chrome finish, this product is designed to elevate the aesthetics of any bathroom space. With its square-shaped faucet and clean, straight lines, it exudes a minimalist design language that is both contemporary and timeless. The simplicity of its design is complemented by its perfect proportions, ensuring a visually pleasing and harmonious addition to your bathroom decor.

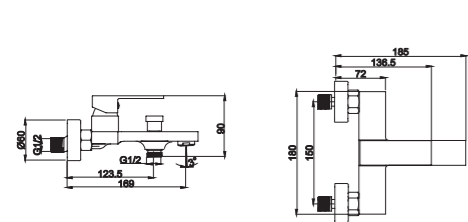

Beyond its aesthetic appeal, this modern bathroom faucet boasts several standout features that make it a must-have addition to your bathroom. The single-handle design allows for effortless control of water flow and temperature, providing convenience and ease of use. The aerated water flow ensures a gentle and consistent stream, minimizing splashing and maximizing water efficiency.

2093-20K2

2093 series, sleek and stylish design, cold-open, energy-saving

Single lever wall-mounted shower mixer with sliding shower kit / brass body, zinc handle / cold-open 90° ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

EMBRACE ELEGANCE

This stylish fixture adds a touch of modern sophistication to any bathroom decor. Made from high-quality copper, this faucet ensures durability and longevity. Its water-resistant and corrosion-resistant properties make it a reliable choice for everyday use. Transform your bathroom into a luxurious space with this elegant, chrome-finished bathroom faucet.

Enhance the look of your bathroom with this sleek and modern faucet featuring a chrome finish.

Crafted from durable copper, this faucet will not only add a touch of elegance to your space but also provide long-lasting functionality.

Upgrade your bathroom with this stylish and high-quality fixture today.

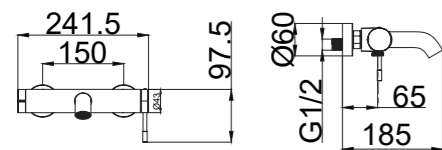

SERIES
2122

2122-10

2122 series, round shape, sleek and modern design

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

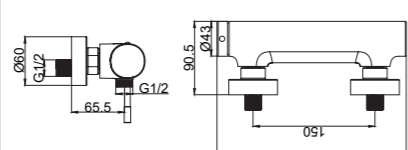

2122-20

2122 series, round shape, sleek and modern design

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

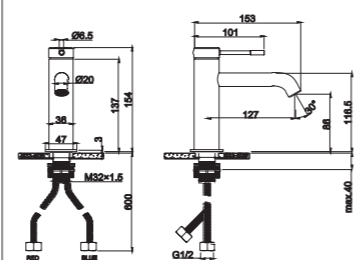

2122-30

2122 series, round shape, sleek and modern design

Single lever above counter basin mixer / brass body, zinc handle / Ø25mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

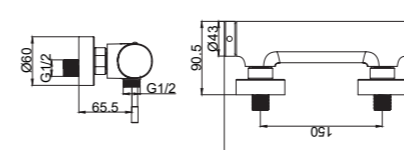

2122-20K1

2122 series, round shape, sleek and modern design

Single lever wall-mounted shower mixer with handshower kit / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

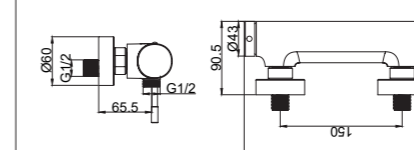

2122-20K2

2122 series, round shape, sleek and modern design

Single lever wall-mounted shower mixer with sliding shower kit / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

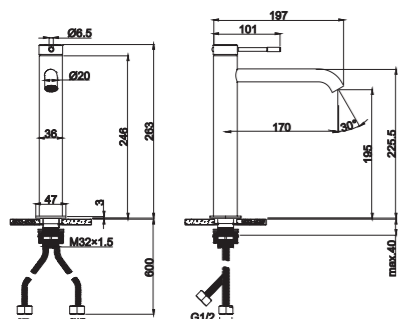

2122-31

2122 series, round shape, sleek and modern design

Single lever above counter vessel basin mixer / brass body, zinc handle / Ø25mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

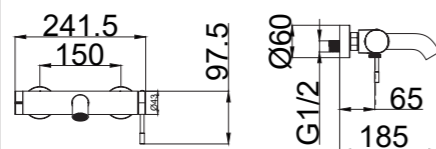

2122-10K1

2122 series, round shape, sleek and modern design

Single lever wall-mounted bath & shower mixer with handshower kit / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

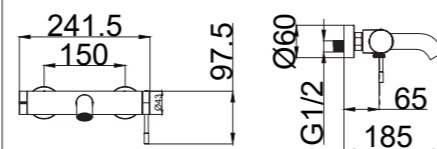

2122-10K2

2122 series, round shape, sleek and modern design

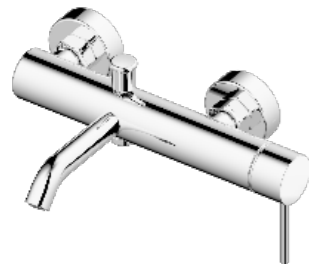

Single lever wall-mounted bath & shower mixer with sliding shower kit / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

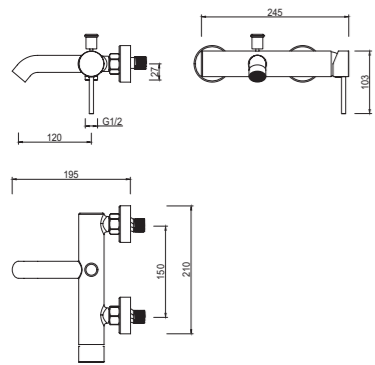

3392-10

3392 series, round shape, sleek and modern design

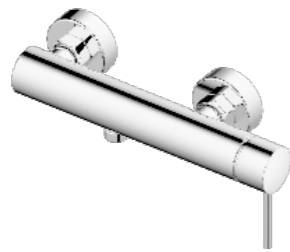

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

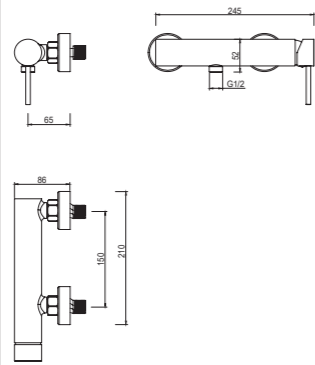

3392-20

3392 series, round shape, sleek and modern design

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

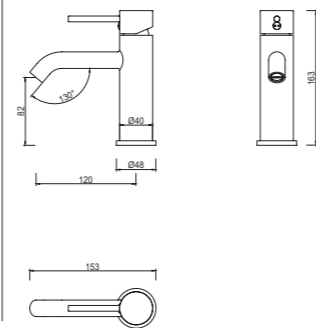

3392-30

3392 series, round shape, sleek and modern design

Single lever above counter basin mixer / brass body, zinc handle / Ø25mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

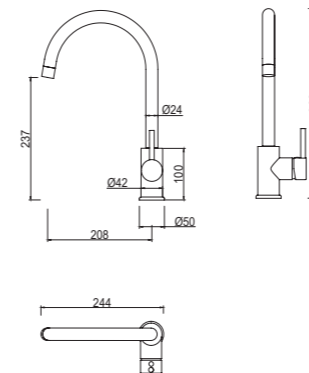

3392-50

3392 series, round shape, sleek and modern design

Single lever above counter kitchen sink mixer / s/s 304 body, zinc handle / Ø25mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

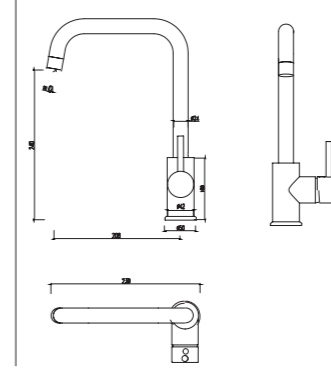

3392-51

3392 series, round shape, sleek and modern design

Single lever above counter kitchen sink mixer / s/s 304 body, zinc handle / Ø25mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

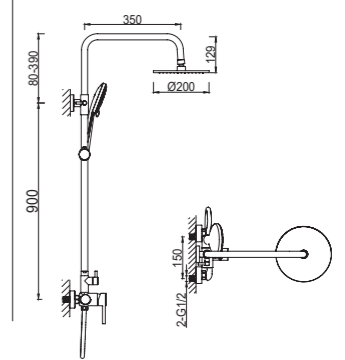

3392-11K1

3392 series, round shape, sleek and modern design

Single lever wall-mounted shower column / brass body, zinc handle / Ø35mm ceramic cartridge / s/s spout with aerator / 1.5m shower hose / 3-function handshower / 8" rain showerhead / wall-mounted height adjustable shower column / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

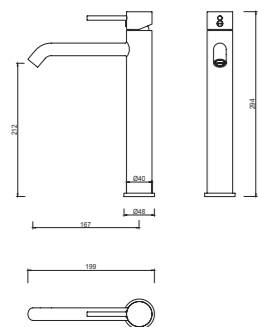

3392-31

3392 series, round shape, sleek and modern design

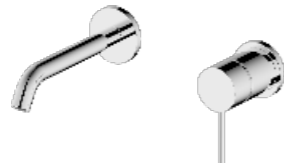

Single lever above counter vessel basin mixer / brass body, zinc handle / Ø25mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

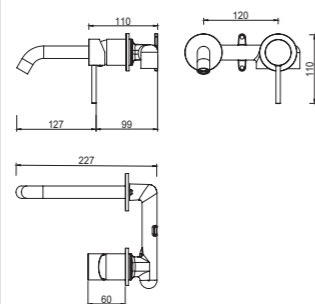

3392-32

3392 series, round shape, sleek and modern design

Single lever embedded basin mixer / solid brass body, zinc handle / Ø25mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

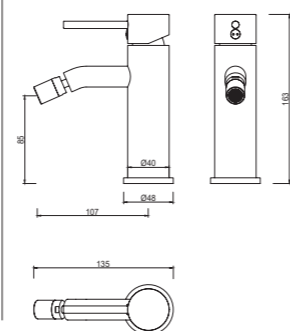

3392-40

3392 series, round shape, sleek and modern design

Single lever above counter bidet mixer / s/s 304 body, zinc handle / Ø25mm ceramic cartridge / with 360° aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

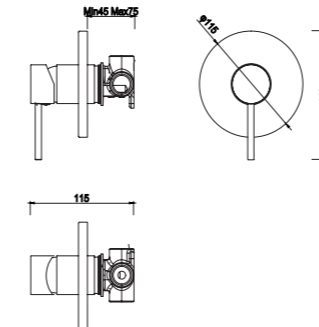

3392-22

3392 series, round shape, sleek and modern design

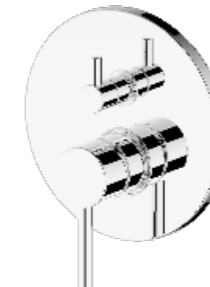

Single lever embedded shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge/ surface treatment available with electro-plating, painting, electro-coating, PVD etc.

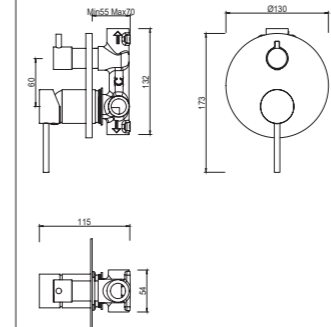

3392-23

3392 series, round shape, sleek and modern design

Single lever embedded shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge/ with diverter/ surface treatment available with electro-plating, painting, electro-coating, PVD etc.

SUS304

SERIES 3375S

AESTHETIC APPEAL

Stainless steel has a timeless and elegant appearance that complements various bathroom styles and designs. It has a sleek, modern look that can enhance the overall aesthetic of your bathroom.

CORROSION RESISTANCE

Stainless steel 304 is highly resistant to corrosion, making it ideal for wet environments like bathrooms where exposure to water and moisture is constant. It resists rust and staining, ensuring longevity and maintaining a sleek appearance.

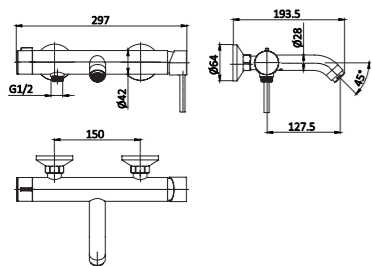

3375S-10

3375S series, stainless steel 304 solid construction

Single lever wall-mounted bath & shower mixer with diverter / s/s 304 body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

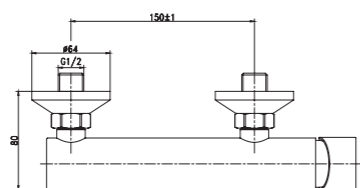

3375S-20

3375S series, stainless steel 304 solid construction

Single lever wall-mounted shower mixer / s/s 304 body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

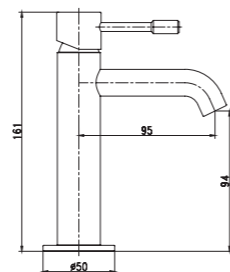

3375S-30

3375S series, stainless steel 304 solid construction

Single lever above counter basin mixer / s/s 304 body, zinc handle / Ø25mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

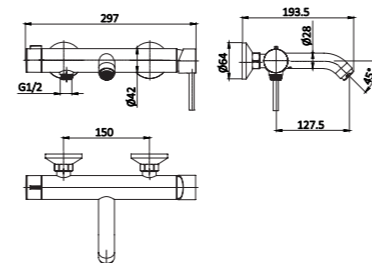

3375S-10K1

3375S series, stainless steel 304 solid construction

Single lever wall-mounted bath & shower mixer with handshower kit / s/s 304 body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

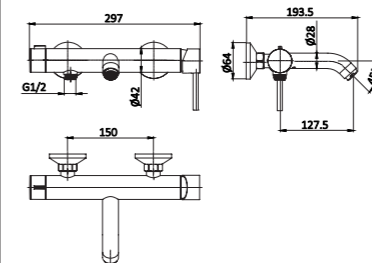

3375S-10K2

3375S series, stainless steel 304 solid construction

Single lever wall-mounted bath & shower mixer with sliding shower kit / s/s 304 body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

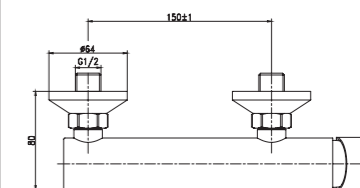

3375S-20K1

3375S series, stainless steel 304 solid construction

Single lever wall-mounted shower mixer with handshower kit / s/s 304 body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

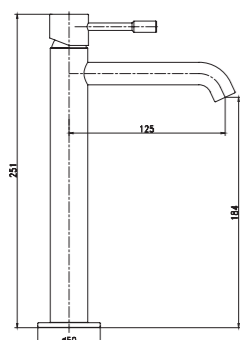

3375S-31

3375S series, stainless steel 304 solid construction

Single lever above counter vessel basin mixer / s/s 304 body, zinc handle / Ø25mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

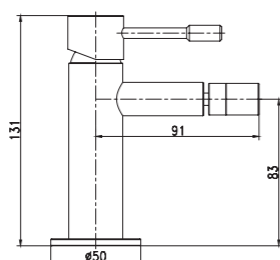

3375S-40

3375S series, stainless steel 304 solid construction

Single lever above counter bidet mixer / s/s 304 body, zinc handle / cold-open 90° ceramic cartridge /with 360° aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

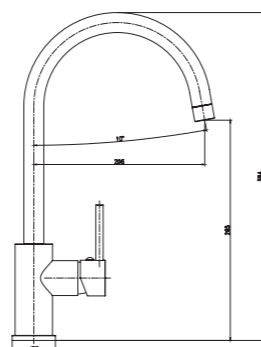

3375S-50

3375S series, stainless steel 304 solid construction

Single lever above counter kitchen sink mixer / s/s 304 body, zinc handle / Ø25mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

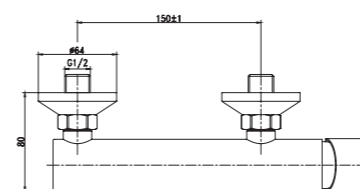

3375S-20K2

3375S series, stainless steel 304 solid construction

Single lever wall-mounted shower mixer with sliding shower kit / s/s 304 body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

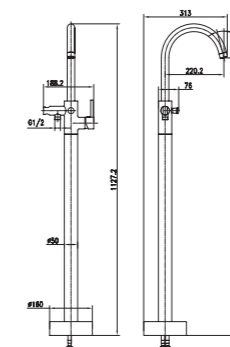

3375S-31

3375S series, stainless steel 304 solid construction

Single lever above counter vessel basin mixer / s/s 304 body, zinc handle / Ø25mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

PRECISION MACHINING

Sleek and modern brass faucet with a round shape handle, designed to elevate the aesthetics of any bathroom or kitchen. Crafted from solid brass, this faucet showcases exceptional durability and longevity.

With its high precision machining and engraving technique, this faucet ensures smooth operation and precise control of water flow.

SERIES
3376

3376-10

3376 series, precision machining& engraving technique

Single lever embeded shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge/ surface treatment available with electro-plating, painting, electro-coating, PVD etc.

3376-20

3376 series, precision machining& engraving technique

Single lever embeded shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge/ with diverter/ surface treatment available with electro-plating, painting, electro-coating, PVD etc.

3376-30

3376 series, precision machining& engraving technique

Single lever above counter basin mixer / solid brass body, zinc handle / Ø25mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

3376-10K1

3376 series, precision machining& engraving technique

Double levers above counter basin mixer / solid brass body, zinc handle / ØG1/2 brass cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

3376-10K2

3376 series, precision machining& engraving technique

Single lever above counter basin mixer / solid brass body, zinc handle / Ø25mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

3376-20K1

3376 series, precision machining& engraving technique

Double levers wall mounted basin mixer / solid brass body, zinc handle / ØG1/2 brass cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

3376-31

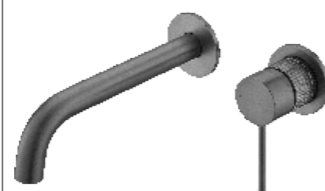

3376 series, precision machining& engraving technique

Single lever above counter vessel basin mixer / solid brass body, zinc handle / Ø25mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

3376-40

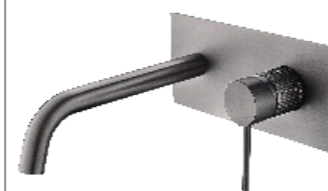

3376 series, precision machining& engraving technique

Single lever embeded basin mixer / solid brass body, zinc handle / Ø25mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

3376-50

3376 series, precision machining& engraving technique

Single lever embeded basin mixer / solid brass body, zinc handle / Ø25mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

3376-20K2

3376 series, precision machining& engraving technique

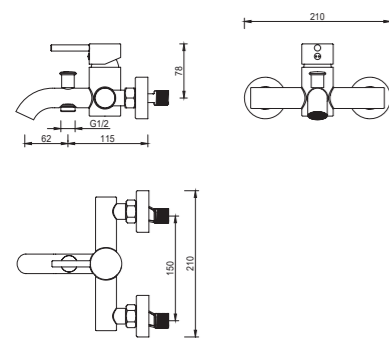

Single lever above counter pull-down kitchen sink mixer / solid brass body, zinc handle / Ø25mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

2011-10

2011 series, stainless steel 304 solid construction

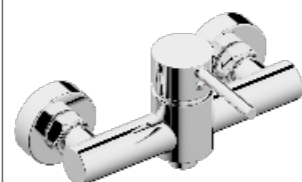

Single lever wall-mounted bath & shower mixer with diverter / s/s 304 body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

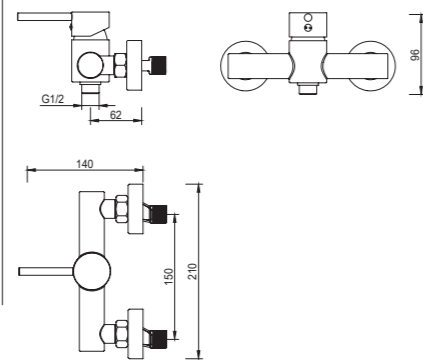

2011-20

2011 series, stainless steel 304 solid construction

Single lever wall-mounted shower mixer / s/s 304 body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

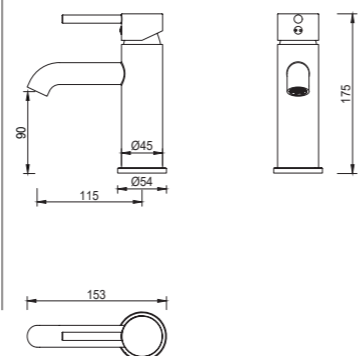

2011-30

2011 series, stainless steel 304 solid construction

Single lever above counter basin mixer / s/s 304 body, zinc handle / Ø25mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

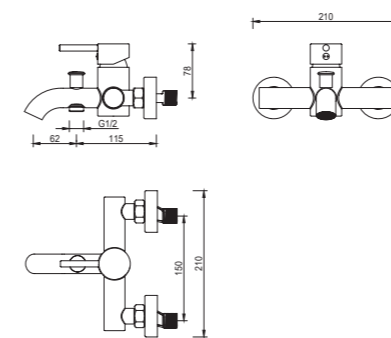

2011-10K1

2011 series, stainless steel 304 solid construction

Single lever wall-mounted bath & shower mixer with handshower kit / s/s 304 body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

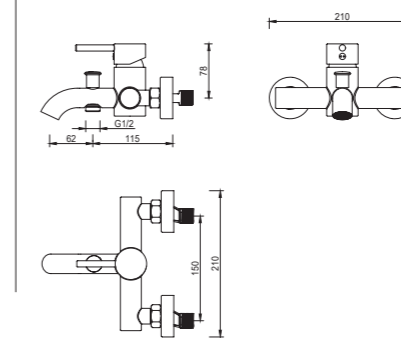

2011-10K2

2011 series, stainless steel 304 solid construction

Single lever wall-mounted bath & shower mixer with sliding shower kit / s/s 304 body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

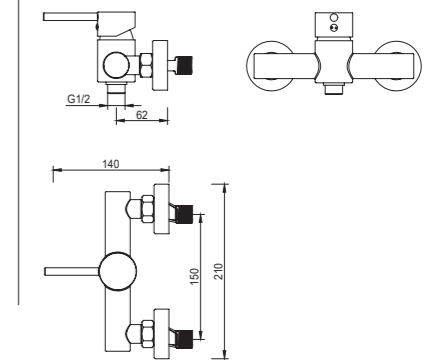

2011-20K1

2011 series, stainless steel 304 solid construction

Single lever wall-mounted shower mixer with handshower kit / s/s 304 body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

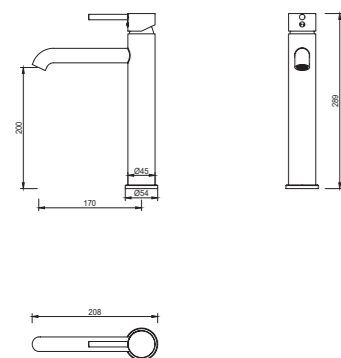

2011-31

2011 series, stainless steel 304 solid construction

Single lever above counter vessel basin mixer / s/s 304 body, zinc handle / Ø25mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

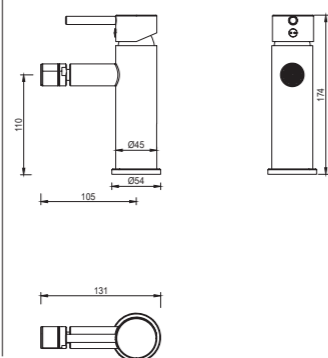

2011-40

2011 series, stainless steel 304 solid construction

Single lever above counter bidet mixer / s/s 304 body, zinc handle / cold-open 90° ceramic cartridge /with 360° aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

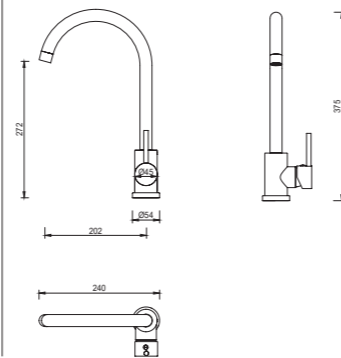

2011-50

2011 series, stainless steel 304 solid construction

Single lever above counter kitchen sink mixer / s/s 304 body, zinc handle / Ø25mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

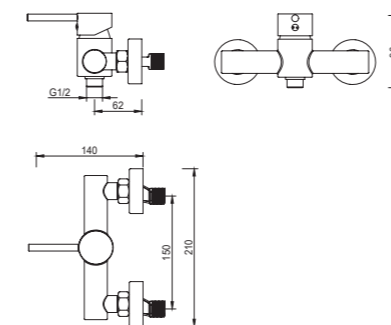

2011-20K2

2011 series, stainless steel 304 solid construction

Single lever wall-mounted shower mixer with sliding shower kit / s/s 304 body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

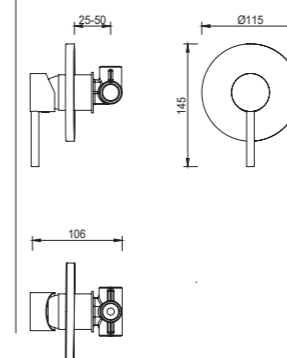

2011-22

2011 series, stainless steel 304 solid construction

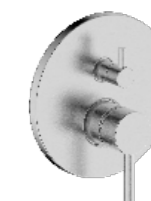

Single lever embedded shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge /surface treatment available with electro-plating, painting, electro-coating, PVD etc.

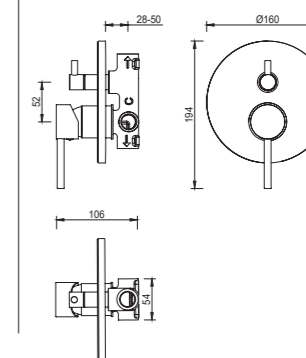

2011-23

2011 series, stainless steel 304 solid construction

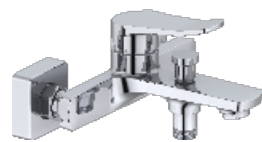

Single lever embedded two-way shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge / with diverter/ surface treatment available with electro-plating, painting, electro-coating, PVD etc.

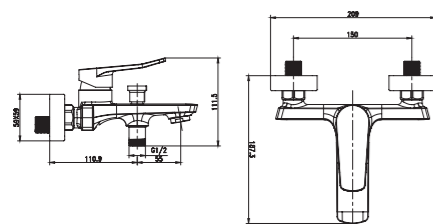

3074-10

3074 series, sleek and modern design

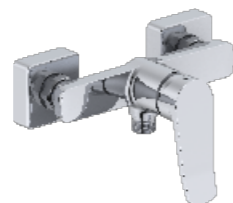

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

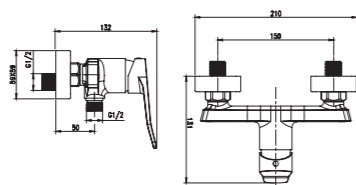

3074-20

3074 series, sleek and modern design

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

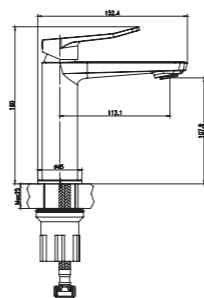

3074-30

3074 series, sleek and modern design

Single lever above counter basin mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

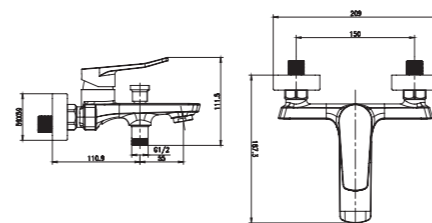

3074-10K1

3074 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

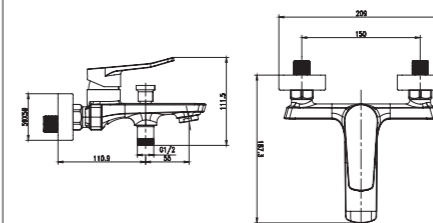

3074-10K2

3074 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

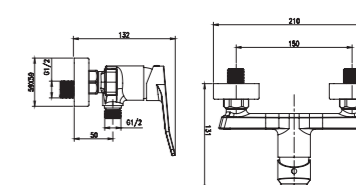

3074-20K1

3074 series, sleek and modern design

Single lever wall-mounted shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

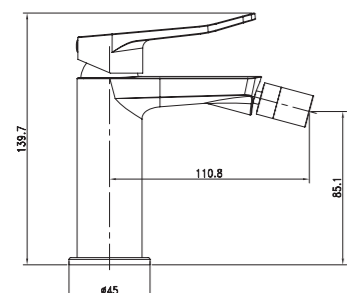

3074-40

3074 series, sleek and modern design

Single lever above counter bidet mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with 360° aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

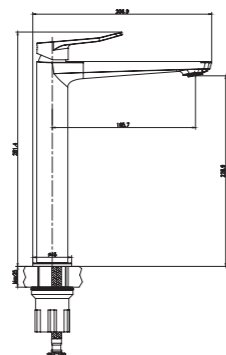

3074-31

3074 series, sleek and modern design

Single lever above counter vessel basin mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

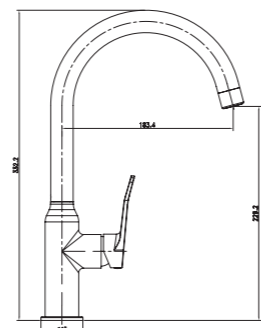

3074-50

3074 series, sleek and modern design

Single lever above counter kitchen sink mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

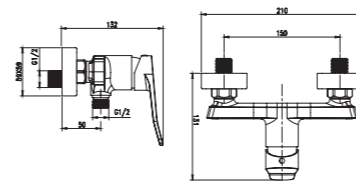

3074-20K2

3074 series, sleek and modern design

Single lever wall-mounted shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

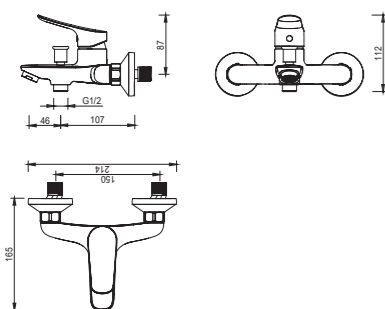

3076-10

3076 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

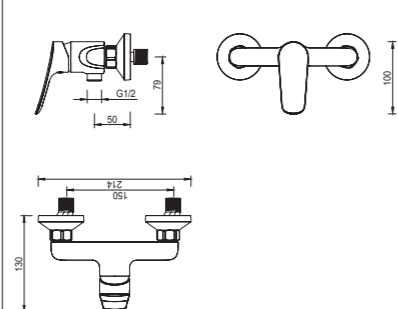

3076-20

3076 series, sleek and modern design

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

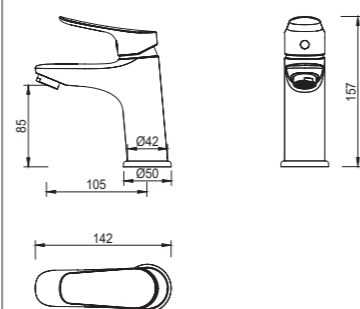

3076-30

3076 series, sleek and modern design

Single lever above counter basin mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

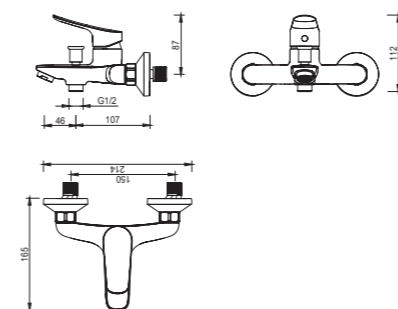

3076-10K1

3076 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

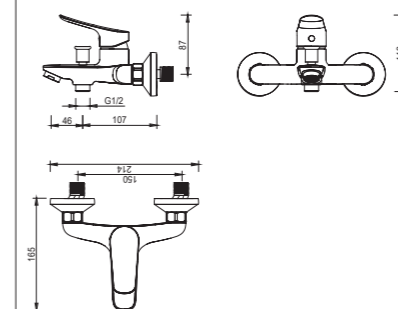

3076-10K2

3076 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

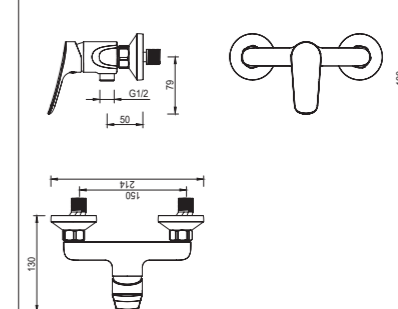

3076-20K1

3076 series, sleek and modern design

Single lever wall-mounted shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

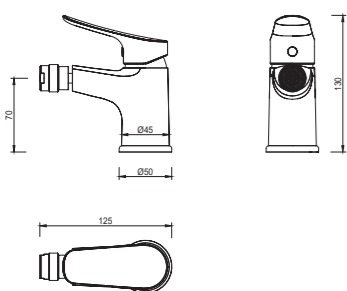

3076-40

3076 series, sleek and modern design

Single lever above counter bidet mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with 360° aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

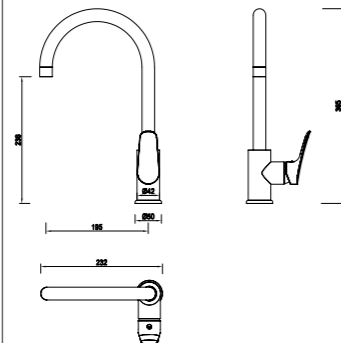

3076-31

3076 series, sleek and modern design

Single lever above counter kitchen sink mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

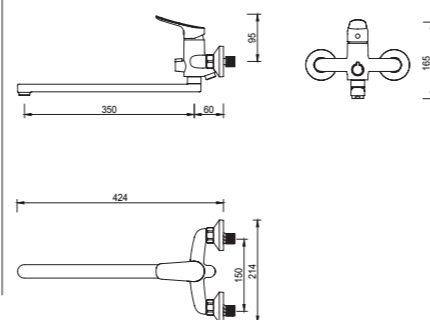

3076-80

3076 series, sleek and modern design

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with diverter/ surface treatment available with electro-plating, painting, electro-coating, PVD etc.

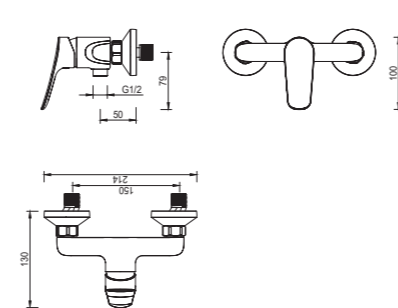

3076-20K2

3076 series, sleek and modern design

Single lever wall-mounted shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

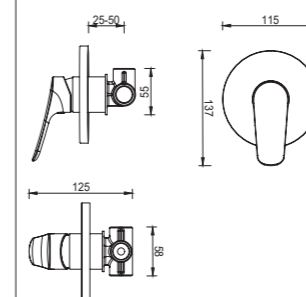

3076-22

3076 series, sleek and modern design

Single lever embedded shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge /surface treatment available with electro-plating, painting, electro-coating, PVD etc.

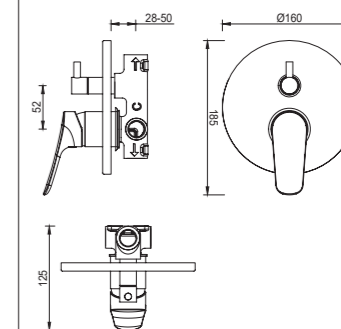

3076-23

3076 series, sleek and modern design

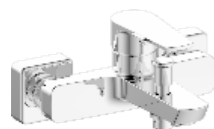

Single lever embedded two-way shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge / with diverter/ surface treatment available with electro-plating, painting, electro-coating, PVD etc.

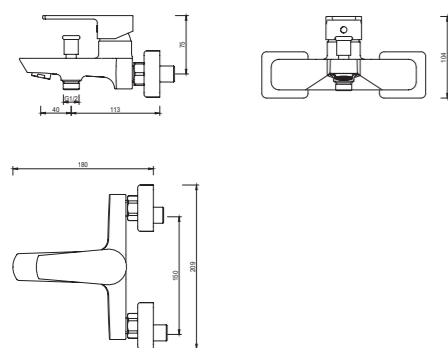

3080-10

3080 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

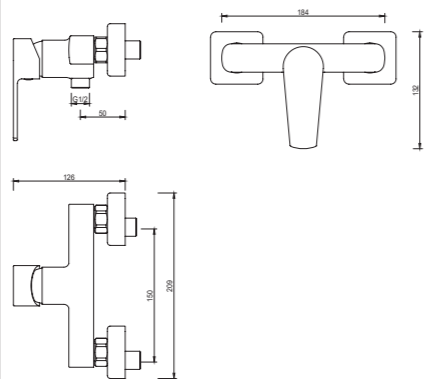

3080-20

3080 series, sleek and modern design

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

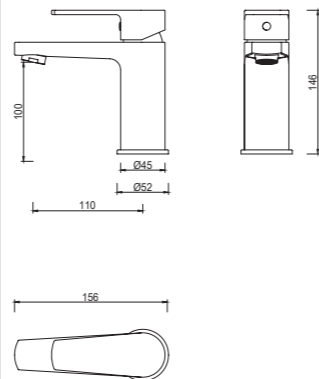

3080-30

3080 series, sleek and modern design

Single lever above counter basin mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

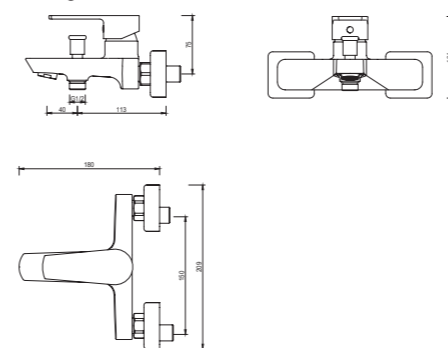

3080-10K1

3080 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

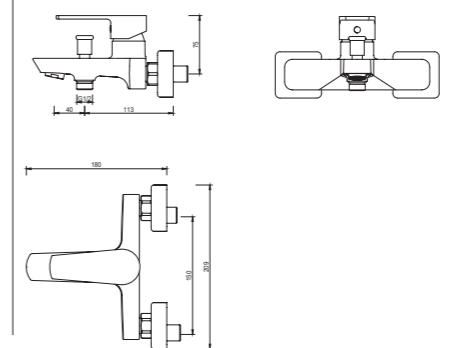

3080-10K2

3080 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

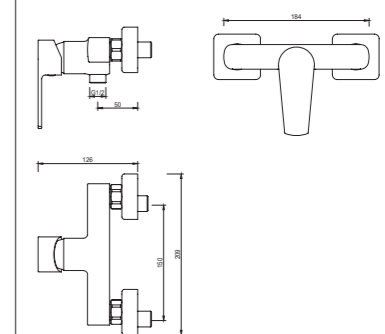

3080-20K1

3080 series, sleek and modern design

Single lever wall-mounted shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

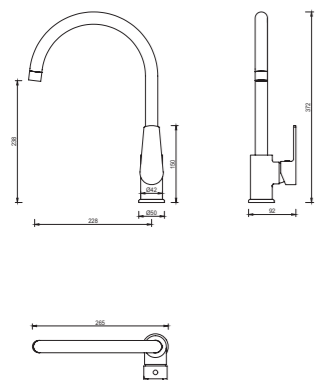

3080-31

3080 series, sleek and modern design

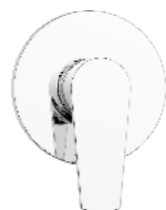

Single lever above counter kitchen sink mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

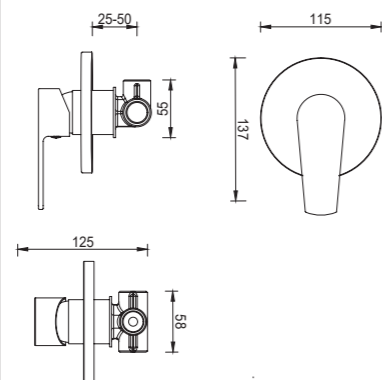

3080-22

3080 series, sleek and modern design

Single lever embedded shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge /surface treatment available with electro-plating, painting, electro-coating, PVD etc.

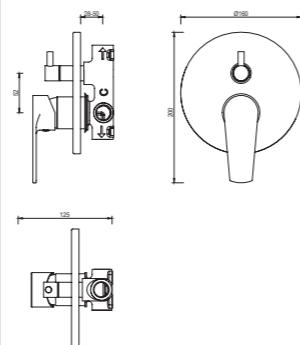

3080-23

3080 series, sleek and modern design

Single lever embeded two-way shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge / with diverter/ surface treatment available with electro-plating, painting, electro-coating, PVD etc.

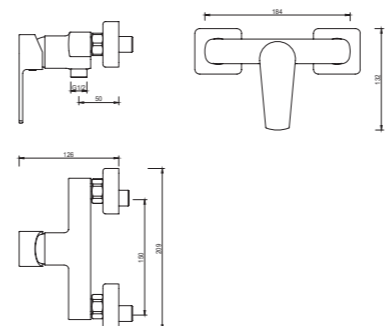

3080-20K2

3080 series, sleek and modern design

Single lever wall-mounted shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

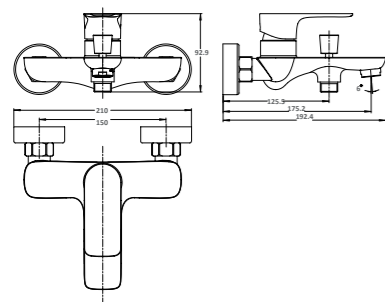

3165-10

3165 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

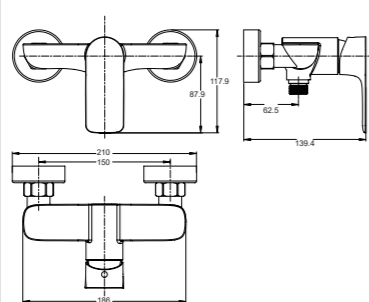

3165-20

3165 series, sleek and modern design

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

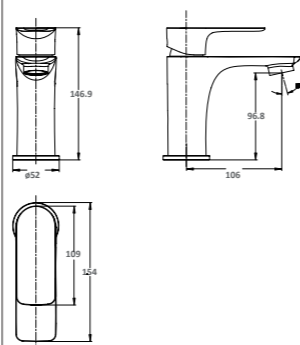

3165-30

3165 series, sleek and modern design

Single lever above counter basin mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

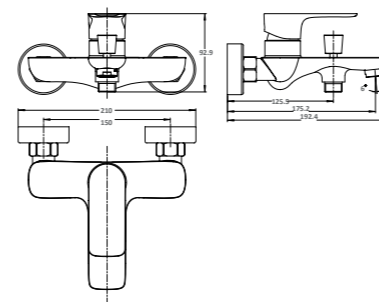

3165-10K1

3165 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

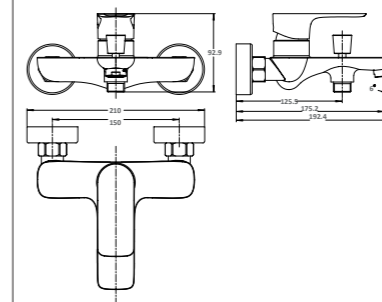

3165-10K2

3165 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

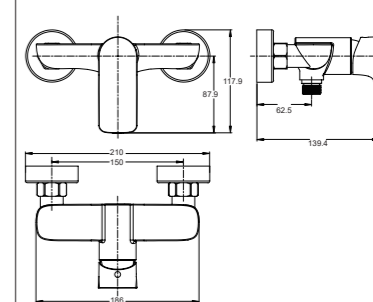

3165-20K1

3165 series, sleek and modern design

Single lever wall-mounted shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

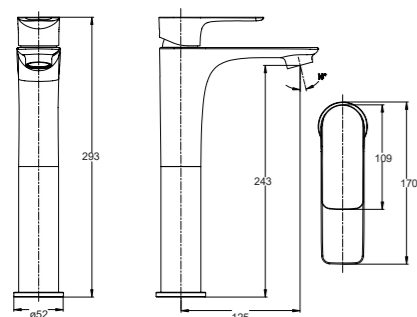

3165-31

3165 series, sleek and modern design

Single lever above counter vessel basin mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

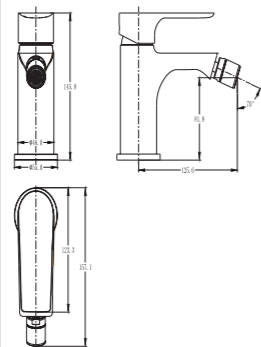

3165-40

3165 series, sleek and modern design

Single lever above counter bidet mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with 360° aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

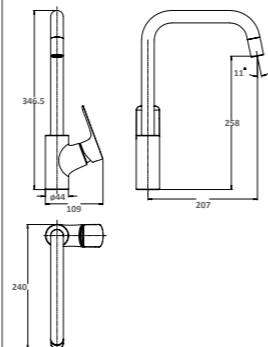

3165-51

3165 series, sleek and modern design

Single lever above counter kitchen sink mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

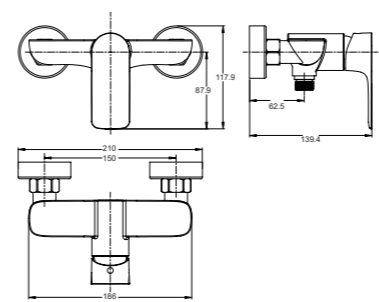

3165-20K2

3165 series, sleek and modern design

Single lever wall-mounted shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

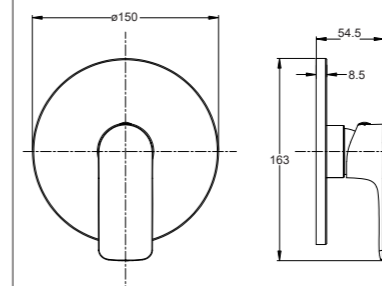

3165-22K1

3165 series, sleek and modern design

Single lever embedded shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge / rain shower head and shower arm/ surface treatment available with electro-plating, painting, electro-coating, PVD etc.

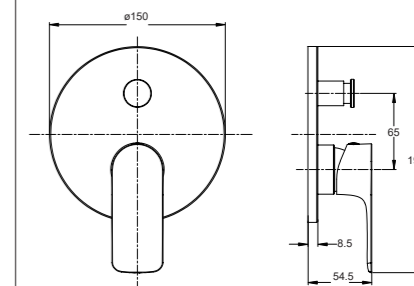

3165-23K1

3165 series, sleek and modern design

Single lever embedded two-way shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge / rain shower head and shower arm and spout/ with diverter/ surface treatment available with electro-plating, painting, electro-coating, PVD etc.

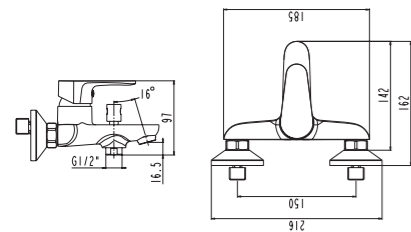

3177-10

3177 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

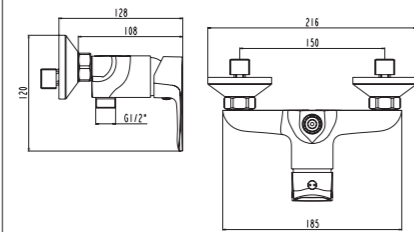

3177-20

3177 series, sleek and modern design

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

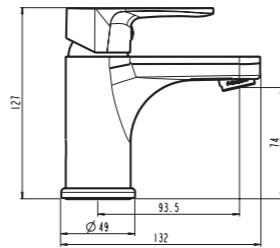

3177-30

3177 series, sleek and modern design

Single lever above counter basin mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

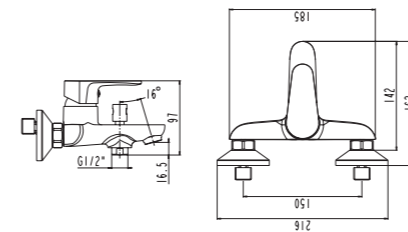

3177-10K1

3177 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

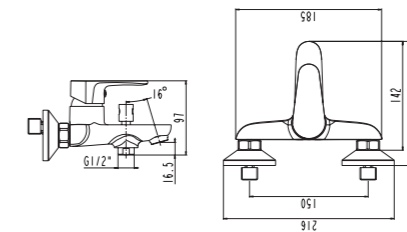

3177-10K2

3177 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

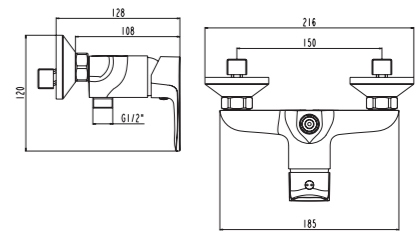

3177-20K1

3177 series, sleek and modern design

Single lever wall-mounted shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

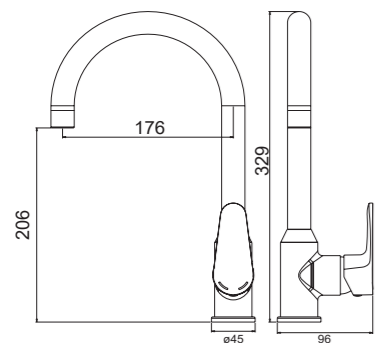

3177-50

3177 series, sleek and modern design

Single lever above counter kitchen sink mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

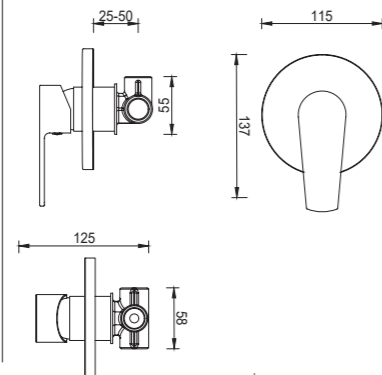

3177-22

3177 series, sleek and modern design

Single lever embedded shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge /surface treatment available with electro-plating, painting, electro-coating, PVD etc.

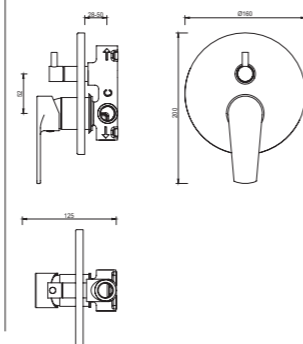

3177-23

3177 series, sleek and modern design

Single lever embeded two-way shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge / with diverter/ surface treatment available with electro-plating, painting, electro-coating, PVD etc.

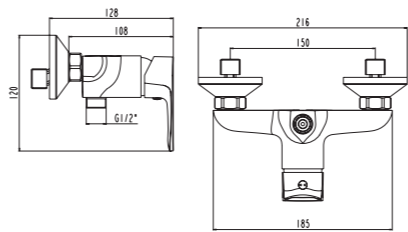

3177-20K2

3177 series, sleek and modern design

Single lever wall-mounted shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

3177-22K1

3177 series, sleek and modern design

Single lever embeded shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge / rain shower head and shower arm/ surface treatment available with electro-plating, painting, electro-coating, PVD etc.

3177-23K1

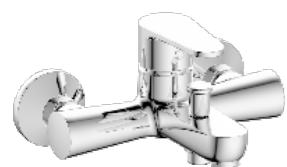

3177 series, sleek and modern design

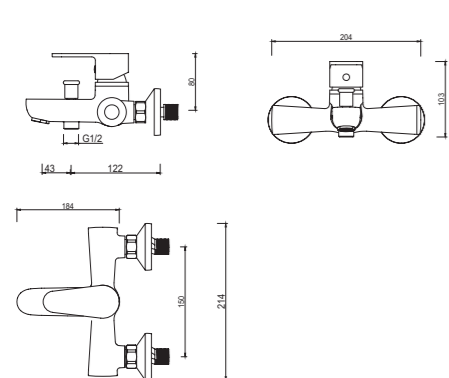

Single lever embeded two-way shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge / rain shower head and shower arm and spout/ with diverter/ surface treatment available with electro-plating, painting, electro-coating, PVD etc.

3377-10

3377 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

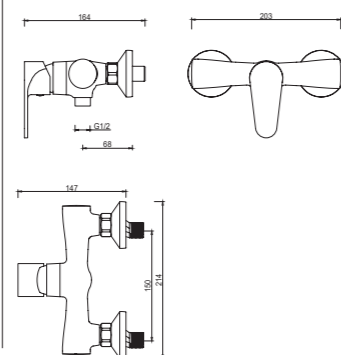

3377-20

3377 series, sleek and modern design

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

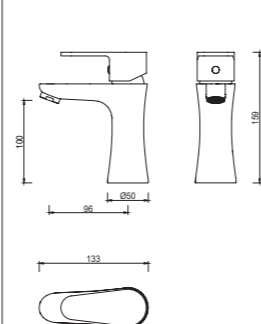

3377-30

3377 series, sleek and modern design

Single lever above counter basin mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

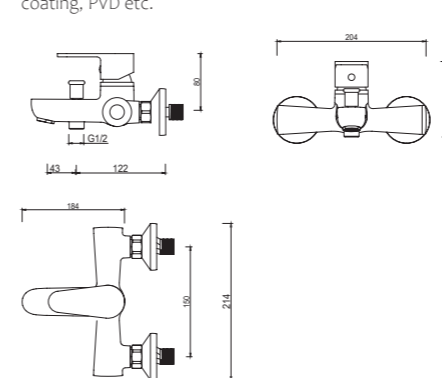

3377-10K1

3377 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

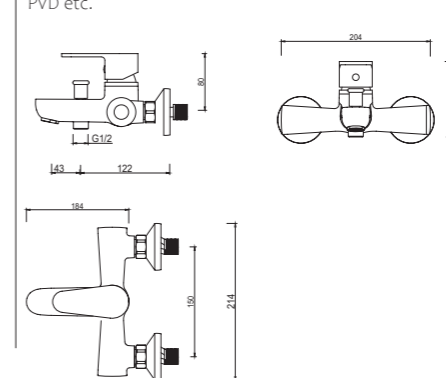

3377-10K2

3377 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

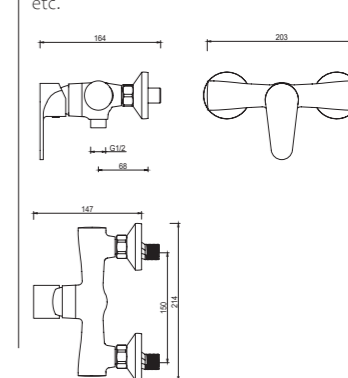

3377-20K1

3377 series, sleek and modern design

Single lever wall-mounted shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

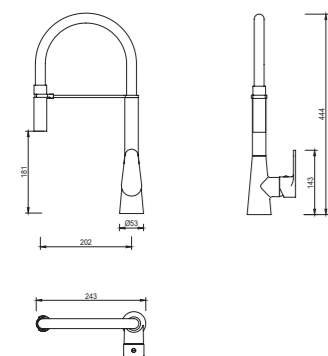

3377-51

3377 series, sleek and modern design

Single lever above counter kitchen sink mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

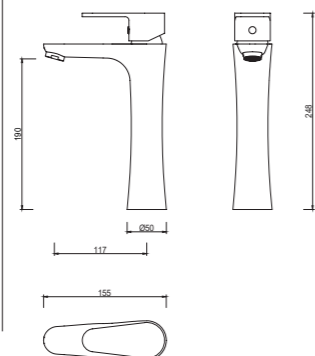

3377-22

3377 series, sleek and modern design

Single lever embedded shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge /surface treatment available with electro-plating, painting, electro-coating, PVD etc.

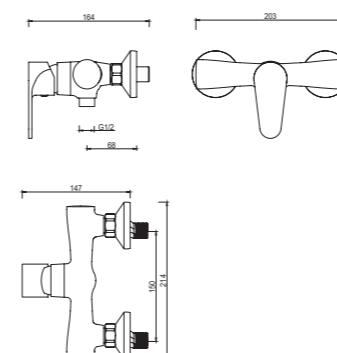

3377-20K2

3377 series, sleek and modern design

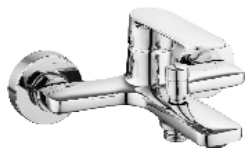

Single lever wall-mounted shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

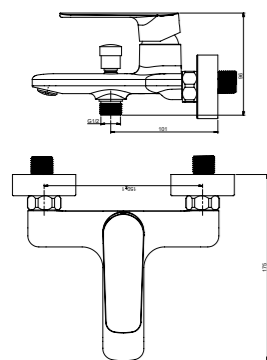

3178-10

3178 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

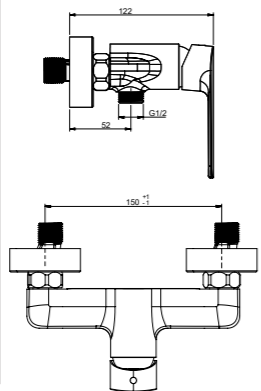

3178-20

3178 series, sleek and modern design

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

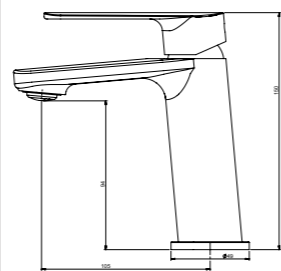

3178-30

3178 series, sleek and modern design

Single lever above counter basin mixer / brass body, zinc handle / Ø30mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

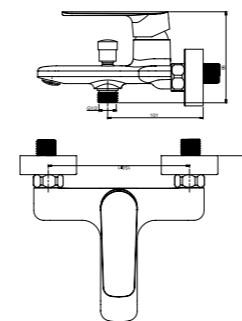

3178-10K1

3178 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

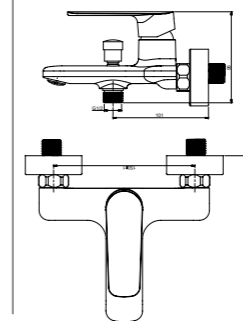

3178-10K2

3178 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

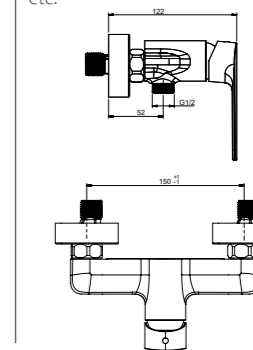

3178-20K1

3178 series, sleek and modern design

Single lever wall-mounted shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

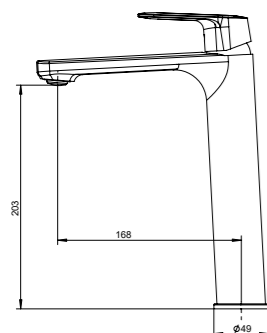

3178-31

3178 series, sleek and modern design

Single lever above counter bidet mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with 360° aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

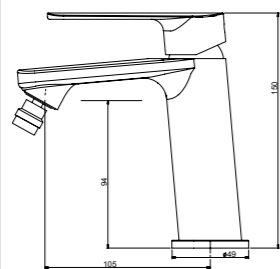

3178-40

3178 series, sleek and modern design

Single lever above counter bidet mixer / brass body, zinc handle / Ø30mm ceramic cartridge / with 360° aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

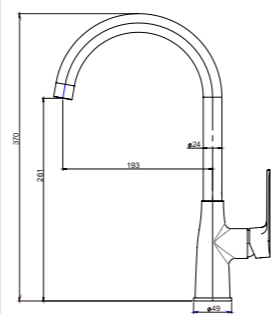

3178-50

3178 series, sleek and modern design

Single lever above counter kitchen sink mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

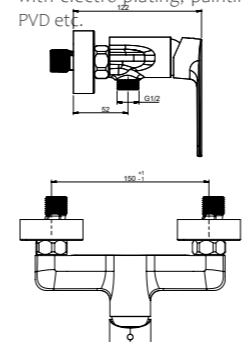

3178-20K2

3178 series, sleek and modern design

Single lever wall-mounted shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

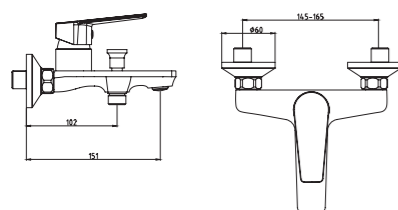

3296-10

3296 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

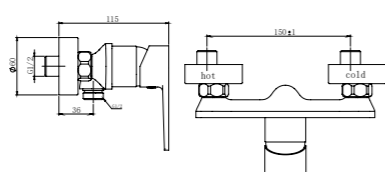

3296-20

3296 series, sleek and modern design

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

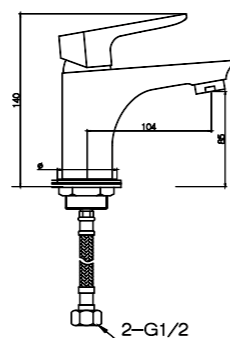

3296-30

3296 series, sleek and modern design

Single lever above counter basin mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

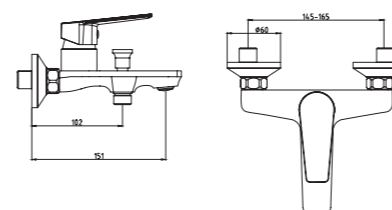

3296-10K1

3296 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

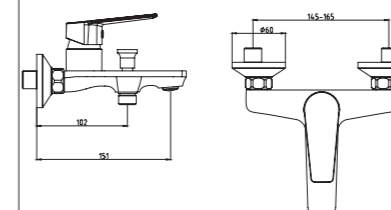

3296-10K2

3296 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

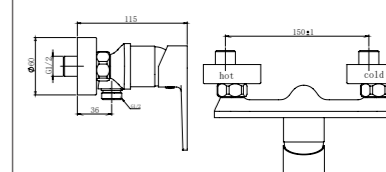

3296-20K1

3296 series, sleek and modern design

Single lever wall-mounted shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

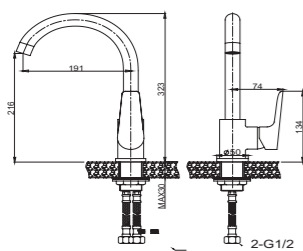

3296-50

3296 series, sleek and modern design

Single lever above counter kitchen sink mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

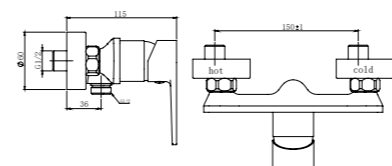

3296-20K2

3296 series, sleek and modern design

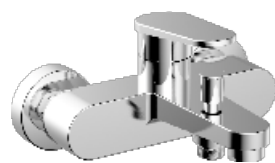

Single lever wall-mounted shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

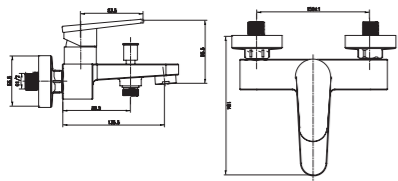

3338-10

3338 series, sleek and modern design

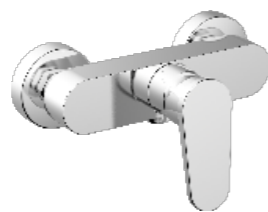

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

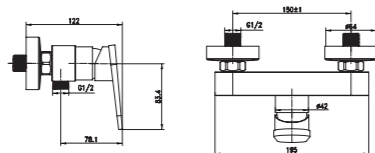

3338-20

3338 series, sleek and modern design

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

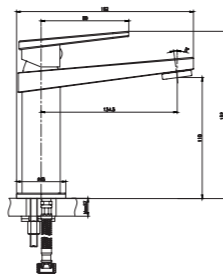

3338-30

3338 series, sleek and modern design

Single lever above counter basin mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

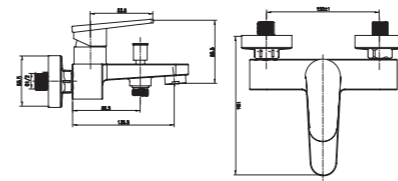

3338-10K1

3338 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

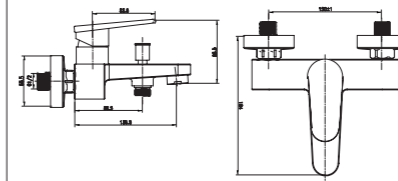

3338-10K2

3338 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

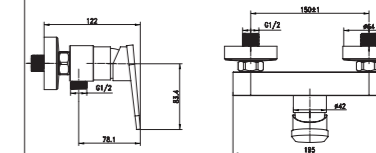

3338-20K1

3338 series, sleek and modern design

Single lever wall-mounted shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

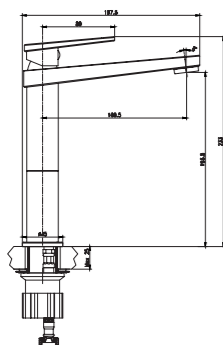

3338-31

3338 series, sleek and modern design

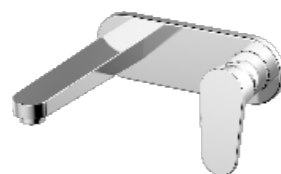

Single lever above counter kitchen sink mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

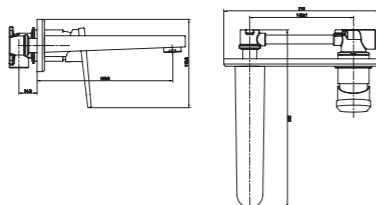

3338-32

3338 series, sleek and modern design

Single lever above counter basin mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

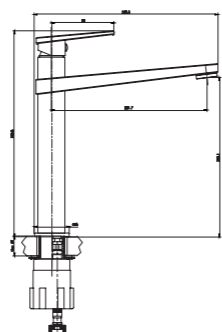

3338-50

3338 series, sleek and modern design

Single lever above counter kitchen sink mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

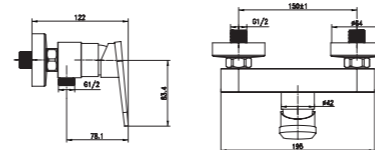

3338-20K2

3338 series, sleek and modern design

Single lever wall-mounted shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

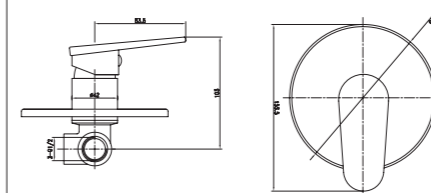

3338-22K1

3338 series, sleek and modern design

Single lever embedded shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge / rain shower head and shower arm / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

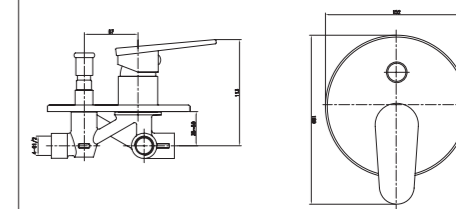

3338-23K1

3338 series, sleek and modern design

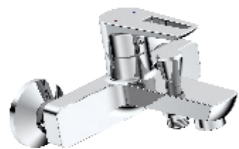

Single lever embedded two-way shower mixer/ brass body, zinc handle / Ø35mm ceramic cartridge / rain shower head and shower arm and spout/ with diverter/ surface treatment available with electro-plating, painting, electro-coating, PVD etc.

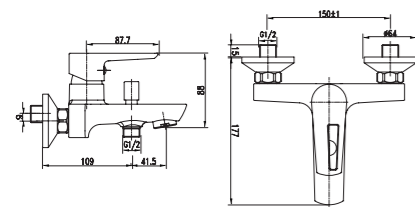

3327-10

3327 series, top quality, DVGW certified

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

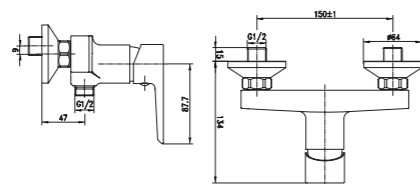

3327-20

3327 series, top quality, DVGW certified

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

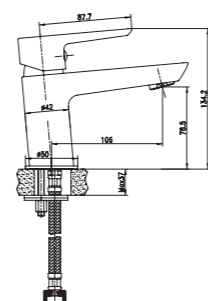

3327-30

3327 series, top quality, DVGW certified

Single lever above counter basin mixer / brass body, zinc handle / Ø30mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

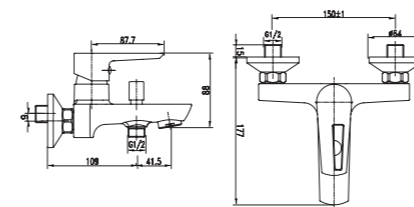

3327-10K1

3327 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

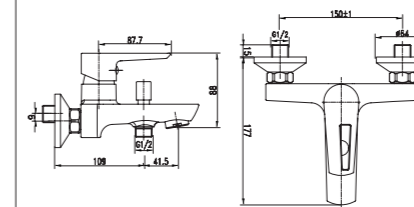

3327-10K2

3327 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

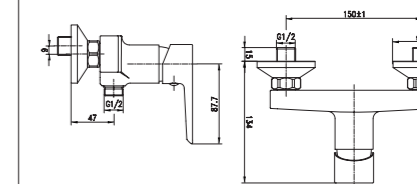

3327-20K1

3327 series, sleek and modern design

Single lever wall-mounted shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

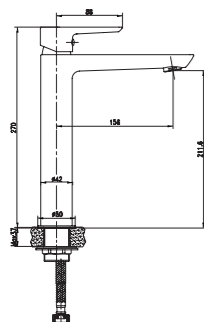

3327-31

3327 series, top quality, DVGW certified

Single lever above counter bidet mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with 360° aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

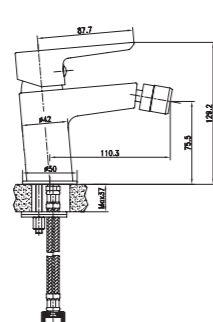

3327-40

3327 series, sleek and modern design

Single lever above counter bidet mixer / brass body, zinc handle / Ø30mm ceramic cartridge / with 360° aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

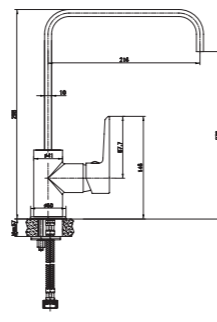

3327-50

3327 series, top quality, DVGW certified

Single lever above counter kitchen sink mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

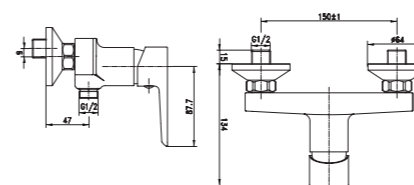

3327-20K2

3327 series, sleek and modern design

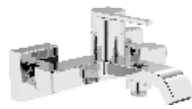

Single lever wall-mounted shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

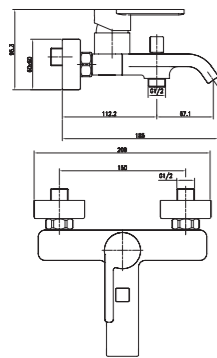

3352-10

3352 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / $\varnothing 35\text{mm}$ ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

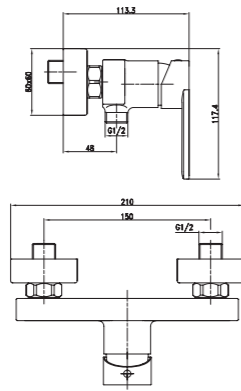

3352-20

3352 series, sleek and modern design

Single lever wall-mounted shower mixer / brass body, zinc handle / $\varnothing 35\text{mm}$ ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

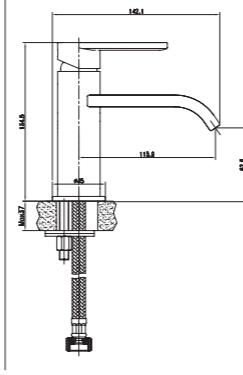

3352-30

3352 series, sleek and modern design

Single lever above counter basin mixer / brass body, zinc handle / $\varnothing 26\text{mm}$ ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

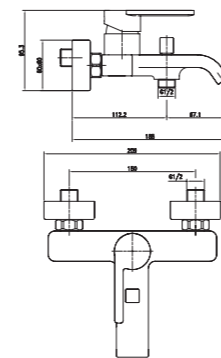

3352-10K2

3352 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with sliding shower kit / brass body, zinc handle / $\varnothing 35\text{mm}$ ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

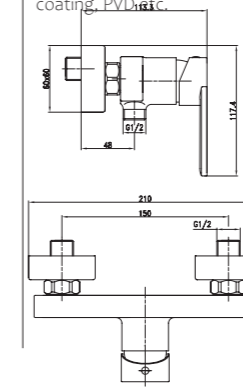

3352-20K1

3352 series, sleek and modern design

Single lever wall-mounted shower mixer with handshower kit / brass body, zinc handle / $\varnothing 35\text{mm}$ ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

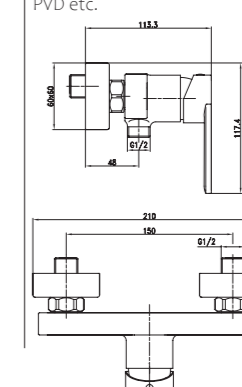

3352-20K2

3352 series, sleek and modern design

Single lever wall-mounted shower mixer with sliding shower kit / brass body, zinc handle / $\varnothing 35\text{mm}$ ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

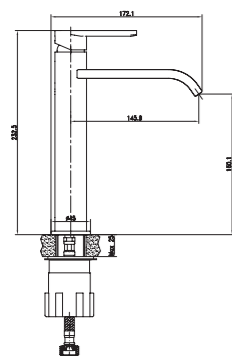

3352-31

3352 series, sleek and modern design

Single lever above counter vessel basin mixer / brass body, zinc handle / $\varnothing 26\text{mm}$ ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

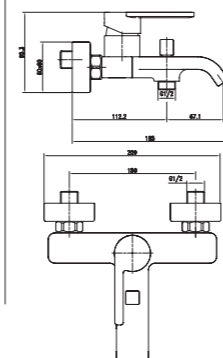

3352-10K1

3352 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with handshower kit / brass body, zinc handle / $\varnothing 35\text{mm}$ ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

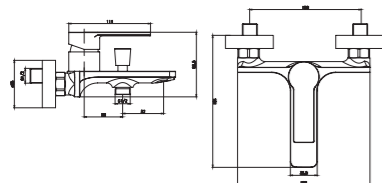

3378-10

3378 series, sleek and modern design

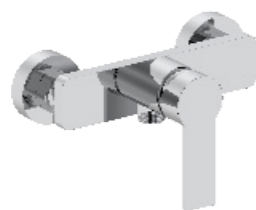

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

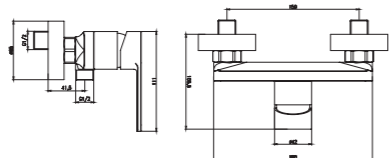

3378-20

3378 series, sleek and modern design

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

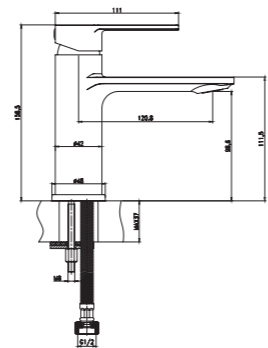

3378-30

3378 series, sleek and modern design

Single lever above counter basin mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

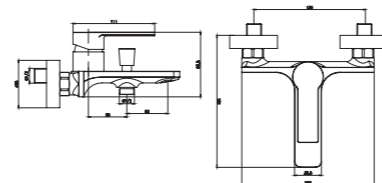

3378-10K1

3378 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

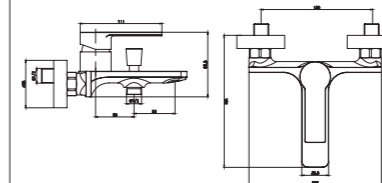

3378-10K2

3378 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

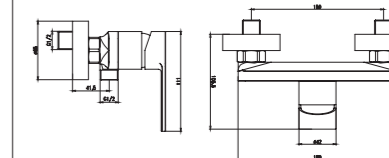

3378-20K1

3378 series, sleek and modern design

Single lever wall-mounted shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

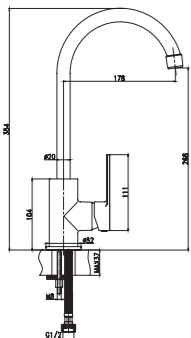

3378-51

3378 series, sleek and modern design

Single lever above counter kitchen sink mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

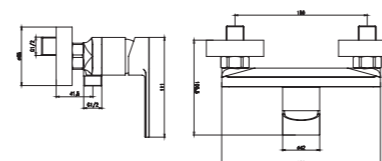

3378-20K2

3378 series, sleek and modern design

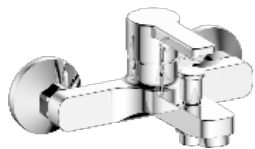

Single lever wall-mounted shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

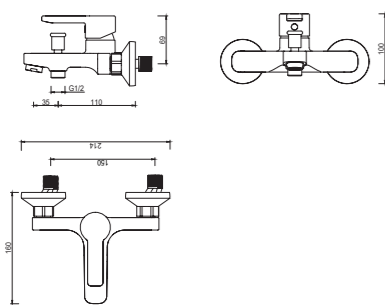

3395-10

3395 series, top quality, DVGW certified

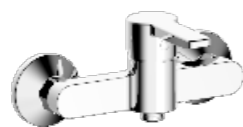

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

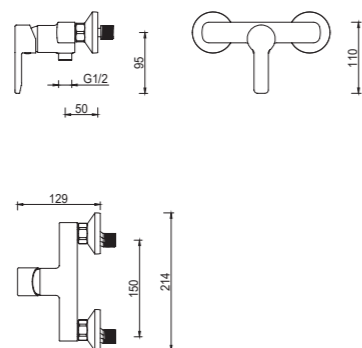

3395-20

3395 series, top quality, DVGW certified

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

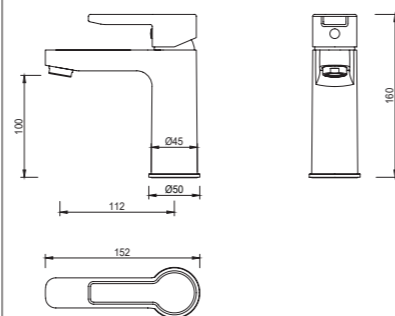

3395-30

3395 series, top quality, DVGW certified

Single lever above counter basin mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

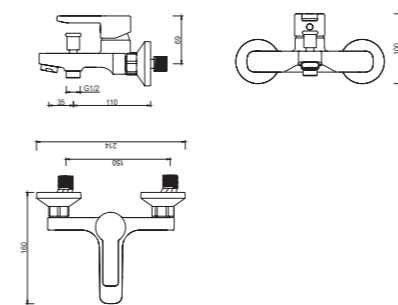

3395-10K1

3395 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

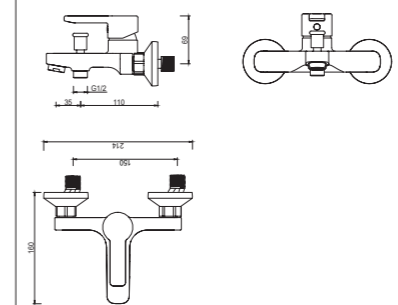

3395-10K2

3395 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

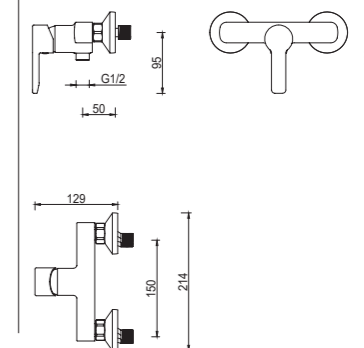

3395-20K1

3395 series, sleek and modern design

Single lever wall-mounted shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

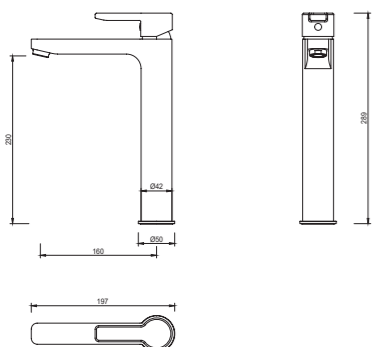

3395-31

3395 series, sleek and modern design

Single lever above counter kitchen sink mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

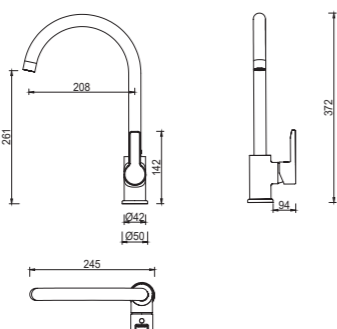

3395-50

3395 series, top quality, DVGW certified

Single lever above counter kitchen sink mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

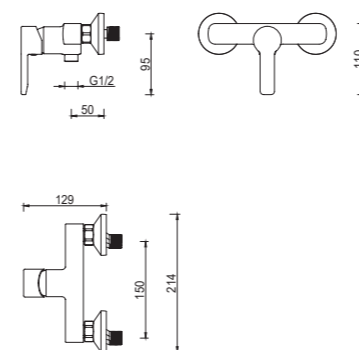

3395-20K2

3395 series, sleek and modern design

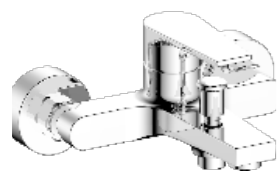

Single lever wall-mounted shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

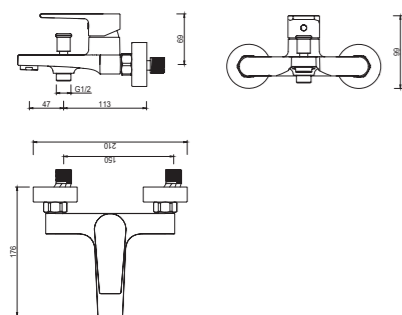

3397-10

3397 series, sleek and modern design

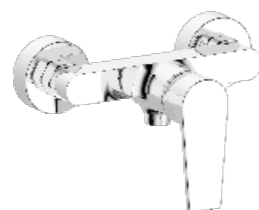

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

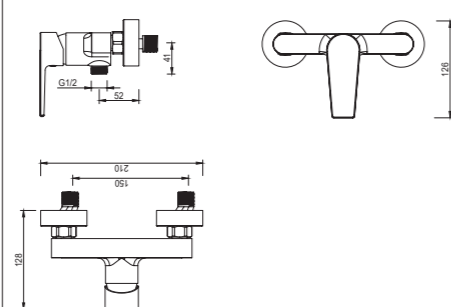

3397-20

3397 series, sleek and modern design

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

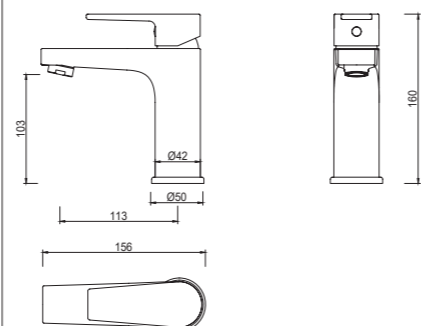

3397-30

3397 series, sleek and modern design

Single lever above counter basin mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

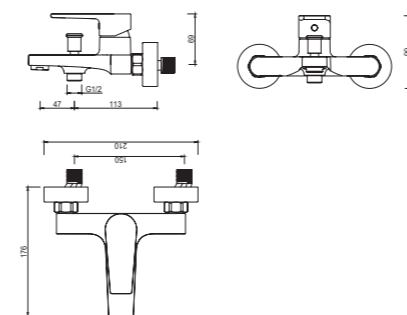

3397-10K1

3397 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

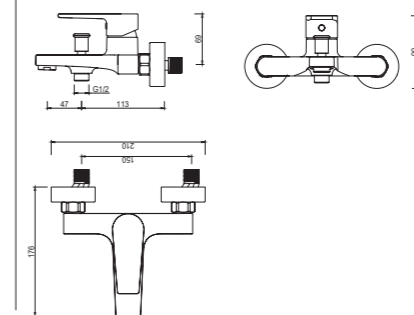

3397-10K2

3397 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

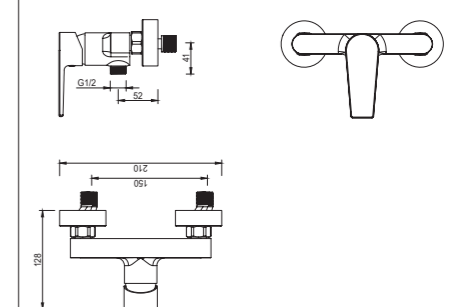

3397-20K1

3397 series, sleek and modern design

Single lever wall-mounted shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

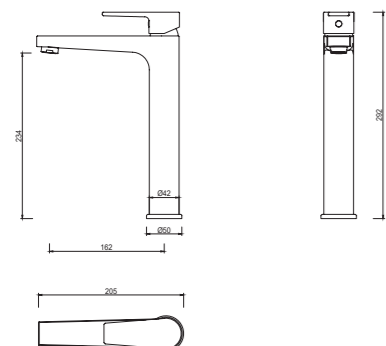

3397-31

3397 series, top quality, DVGW certified

Single lever above counter bidet mixer / brass body, zinc handle / Ø35mm ceramic cartridge / with 360° aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

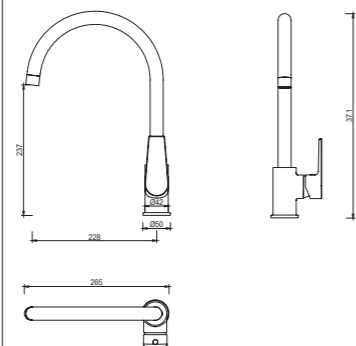

3397-50

3397 series, top quality, DVGW certified

Single lever above counter kitchen sink mixer / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

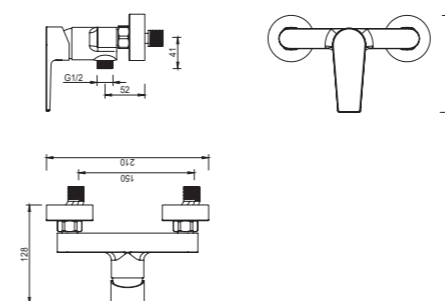

3397-20K2

3397 series, sleek and modern design

Single lever wall-mounted shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

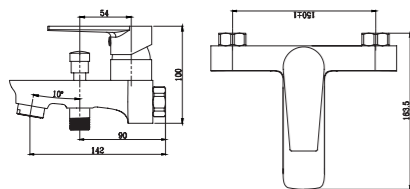

3187-10

3187 series, top quality, DVGW certified

Single lever wall-mounted bath & shower mixer with diverter / brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

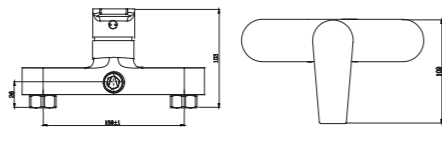

3187-20

3187 series, top quality, DVGW certified

Single lever wall-mounted shower mixer / brass body, zinc handle / Ø35mm ceramic cartridge / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

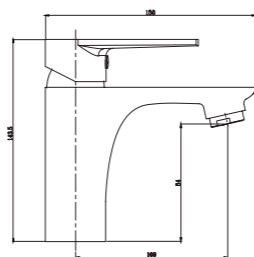

3187-30

3187 series, top quality, DVGW certified

Single lever above counter basin mixer / brass body, zinc handle / Ø30mm ceramic cartridge / with aerator / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

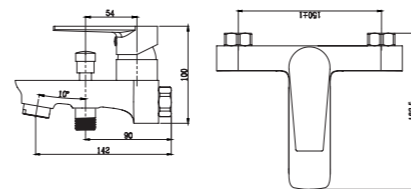

3187-10K1

3187 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with handshower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted shower holder / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

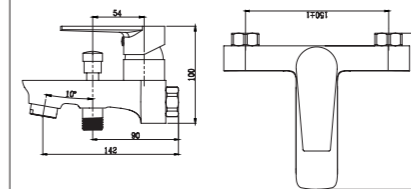

3187-10K2

3187 series, sleek and modern design

Single lever wall-mounted bath & shower mixer with sliding shower kit /brass body, zinc handle / Ø35mm ceramic cartridge /with aerator / 1.5m shower hose / 3-function handshower / wall-mounted sliding bar / surface treatment available with electro-plating, painting, electro-coating, PVD etc.

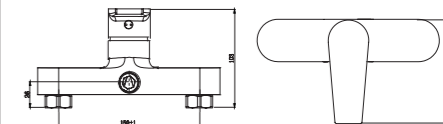

3187-20K1

3187 series, sleek and modern design
